The reading of the report on the "William Barton Rogers Scholarship Fund" followed:

REPORT OF THE COMMITTEE ON THE "WILLIAM BARTON ROGERS SCHOLARSHIP FUND."

December 28, 1891.

December 26, 1890, balance on hand	\$138.48
April 9, 1891, contributions to date	570.00
December 28, 1891, contributions April 9, to date	79.00
	<hr/>

December 28, 1891, expenses of collecting	44.80
	<hr/>
December 28, 1891, balance carried forward	\$92.68

The present condition of the fund is represented by the following entry in the report of the Treasurer of the Massachusetts Institute of Technology :

September 30, 1891, William Barton Rogers Scholarship Fund	\$. \$8,835.51
This item was made up of:	
Balance on hand October 1, 1890	\$. \$7,884.02
Payment April 9, 1891	\$. 650.00
Interest to September 30, 1891	\$. 301.49
Total	\$. \$8,835.51

Interest has been expended, in accordance with the vote of the Alumni Association for helping students, to the amounts of \$150.00 for the year 1890-91, and \$175.00 for the year 1891-92. The fund is proving very useful as a reserve fund to meet such cases as the Corporation are not otherwise able to help. The students who receive help make an agreement to repay what they have received without interest, if they are able, when they are able.

It remains to be seen whether this requirement will prevent the fund from being kept fully employed. The committee desire to express to the members of the Alumni Association their sincere thanks for the very cordial and liberal support that they have uniformly received while they have been collecting this fund, and with so large a response as they have received during the present year, after all the original contributions were in. They believe that the Association is not yet ready to close up the fund.

Your committee, therefore, respectfully recommend that the collection be continued, and that they be authorized to solicit contributions during the coming year.

Signed for the Committee,

ROBERT H. RICHARDS, '68.

It was voted that the report be accepted and the recommendations adopted.

Mr. J. R. Freeman, '76, of the Committee on the School, presented verbally a very interesting report upon the condition of the School.
